CITATION OF RELATED CASES

Sir:

Attached is a report which was made by the assignee of the
above-identified patent application.

The United States patent applications and issued patents
identified in this report may be relevant to the examination of the
above-identified patent application inasmuch as they have been
identified by an automated search of the assignee's patent
portfolio files as having common inventors with and/or subject
matter which is classified by the assignee in the same
technological field as the above-identified patent application.
However, citation of this report is neither an admission that any
document noted therein is prior art to the above-identified patent
application nor a waiver of the confidential status of any listed
patent application under 35 U.S.C. 122.

Respectfully submitted,

By
